Progress we'd like to see...

Some Stats...

Scary ones, and the ones that can help us. We need to act.

Urbanisation

Today, 55% of the world's population lives in urban areas, a proportion that is expected to increase to 68% by 2050

Disconnect (Ire)

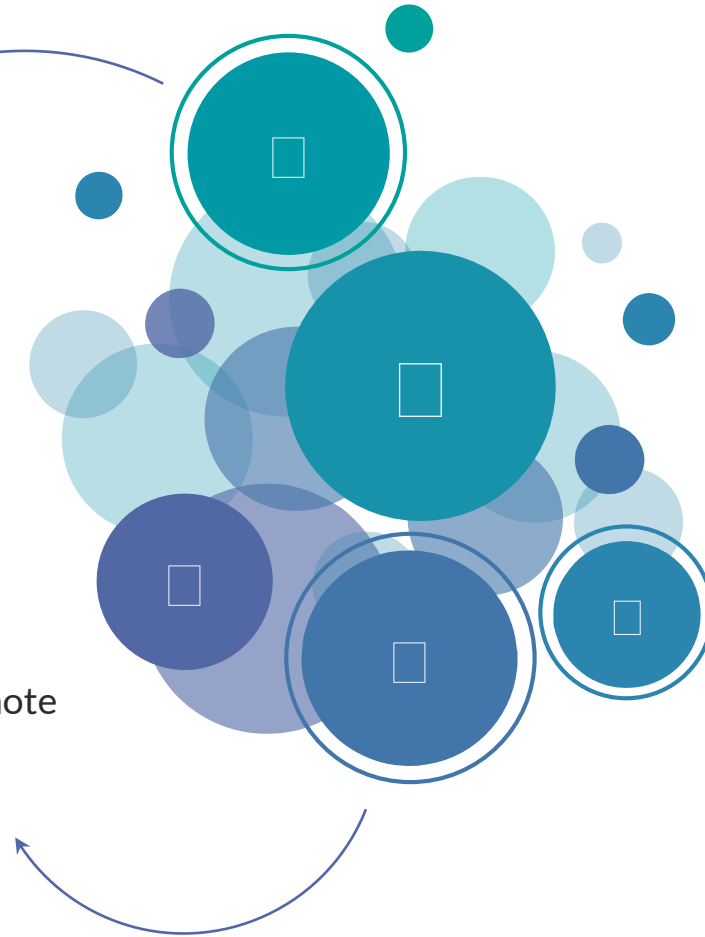

77% of employees are in favour of remote working, 25% say their employer is embracing it.

Workplace Trends

50% of workers set to be remote by 2035 (you'll be graduated!)

Oversupply of remote workers

One major gig platform alone records an oversupply of 1,576,600 workers.

| You can *stay*, you can go!
| You have *choice*.
